**IF A
DISABILITY
CLOSED THE
DOOR ON YOUR
PRACTICE...

WOULD IT ALSO
CLOSE THE
DOOR ON YOUR
FAMILY'S
FUTURE?**

Disabilities are something a doctor deals with every day. Certainly no one is more aware of how much a life can be affected by a disabling sickness or injury.

Sometimes, though, a doctor can become so involved in the treatment of these disabilities that it becomes easy to put aside thoughts of what might happen to you and your family if that disability struck you down and you were unable to continue your practice.

Now, a Disability Income Protection Plan, especially designed for younger doctors, is available for members of the North Carolina Medical Society.

This Plan can help see to it that your family's future will be protected if you should become sick or hurt and are unable to continue your practice. This monthly benefit is payable directly to you for use as you see fit. Furthermore, these are tax-free benefits and are payable whether you are confined to the hospital or are at home recovering.

If you are under 55 years of age, you are eligible to apply for this insurance. For more information regarding this Plan, just contact the local Mutual of Omaha representative in your area. There is no obligation.

Committee and Commission Appointments

1974-1975

NOTE: The Committees listed herein have been authorized by President Frank R. Reynolds, M.D., and/or as required under the *Constitution and Bylaws*.

Particular note should be taken of the authorization of the HOUSE OF DELEGATES of a Commission form of organizational activity and that all Committees, excepting *COMMITTEE ON NOMINATIONS AND MEDIATION COMMITTEE* are segregated under the respective Commission in which the function of the Committee logically rests. This will tend to eliminate overlapping and duplication in activity programs and result in coordination of the work of the Society in a manner to lessen the work of the delegates in the Annual Meeting of the HOUSE OF DELEGATES.

The President, Secretary and Executive Director of the Society are ex officio members of all Committees and, along with the Commission Chairman, should receive notice of meetings, agenda and minutes of committee meetings during the activity year.

Superior figures (e.g. 21) indicate the component County Society from which the member emanates, as in the Membership list of the *ROSTER*.)

BEYOND THE CALL OF DUTY.SM

A TRUE STORY

When this young doctor was fresh out of military service, with a wife and kids, he faced starting a new practice in a new town. He was concerned. His savings were small. The cost of setting up his practice was staggering.

He came to First-Citizens for help and advice.

We loaned him the money. We even made sure he had adequate funds to take care of food bills, moving costs, the "now" cash.

Today he has an excellent practice. But the demands and emergencies of his patients leave him little time to get to his bank to discuss financial matters.

So, we go to him. Our banker makes the "house" calls. But doing things like this is what Can Do is all about.

This true story of helping someone involved only one of our officers. He has over 2,500 associates in 201 offices in 85 North Carolina towns. He may be special, but he's not alone.

Fifty Year Club

The House of Delegates of the North Carolina Medical Society in May of 1953, authorized the Executive Council of the Society to establish a special recognition for those physicians residing in the State of North Carolina who were members currently of the State Medical Society, who had established legal practice of medicine and who had actively practiced medicine during their life time for a period of fifty years.

Listed below in alphabetical order are the names and addresses of those physicians who resided in North Carolina and whom the North Carolina Medical Society has recognized as members of the FIFTY YEAR CLUB of the State Medical Society. This list will be added to from year to year and likewise subtracted from as losses to this club group are sustained and reckoned.
